Well, we draw to a close volume two of "Hepsters' Dictionary  
of American Language." Watch for more next week.

The Hats Off department in The Ram's Ear (Rio Vista) is a good idea---another suggestion!

We don't receive any paper from Armijo and we don't like the idea. Haven't you received the ones we sent you, Armijo?

## LET'S BEAT ARMIJO TONIGHT

### Schedule

January 29-----Armijo (there)

February 5-----Winters (here)

Let's all try to get to Armijo tonight and have a rooting section that will make the Bulldogs want to win.

Since the score in the last game was so close, this one ought to be very exciting. Of course, the B's will again be a walk-away for Vacaville.

Next week February 6, there will be another home game. It will be free to Student Body members. There are only two more home games after this one. One will be with Dixon on February 9, and another with Armijo on February 26.

The Bulldogs need the support of every Student Body member. Come on, Gang! Let's go!!!

## SERVICE BOYS RECEIVING RUMBLE

The staff is now buying and mailing Hilltop Rumbles to seventeen boys in uniform who have recently graduated from or attended Vaca High.

If anyone knows of someone we have overlooked who would like to receive it, please give any member of the staff his name and address. We would also appreciate knowing of any changes of address.

## Embarrassing Moments

Mercedes C.---I called Eddie on the phone. I said, "Hi Honey." then he said some cute things, too. I asked, "What-cha doing, Eddie?" He replied "Hey wait a minute, this isn't Eddie. This is his Dad." I was so tongue tied, I had to hang up.

Dot Fernandez-I saw a very good looking boy and was so dazzled, I forgot to look where I was going. The yowls of a cat I stepped on brought me back to earth. And how!

Frances B.-----After seeing "My Gal Sal", I was standing in the lobby of the theater telling Rose what I hadn't liked about the picture. Imagine my surprise when Mr. Isabella introduced to me the director of "My Gal Sal". They heard every word I said!

Manuel N.-----I was swimming around, when suddenly I discovered I had lost my bathing trunks.---You can bet that I went under looking for them, but in a hurry!

James Rogers--I was walking into the theater as proud as can be with Greta Neil, when lo and behold, there stood Jacque! Ouch!

Haroldine H.--I was bowling in Vallejo one night and got ready to let the ball roll. Did I feel queer when I found myself sliding down the alley right behind the ball?

Arlene F.-----One night I walked into the theater and couldn't see very well. I saw a man that I thought was my father, so I walked over to him and poked him in the back and said, "Hey, I want to go home."---It wasn't my father, but Chief Alley.

John Pulido---I took a girl to a dance and was all ready for a good time. We arrived at the dance and found out it was to be the following week. (That's what John says.)

Rose Cintas---I went to the Creamery and had a coke. When I finished I looked for my money, but couldn't find any. I sat there feeling stupid, until a man that I know slightly came in. I felt even worse when I had to ask him for a nickle.

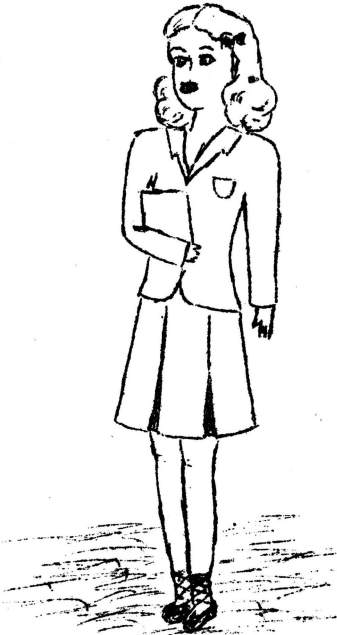

## They Say

Marriage is like a cafeteria: He grabs what looks nice to him, and pays for it later.

## FASHIONS

By Anne

Once again all of the girls seem to be sporting new skirts. Plaids are still in number one place at Vaca High, and beige certainly takes the honors as the most popular color. . . . AILEEN TURNER wears her skirt with a red sweater.

The skirt is red and blue on a beige background. Pretty! . . . . Another good looking plaid in red, green, and brown, is worn by HELEN SWEENEY. Beige also predominates on HELEN'S. . . . On PHYLLIS RATLEDGE'S beige skirt, yellow is the only other color. Her skirt is a little different and made up entirely of small gores. . . . . Going to the other extreme, VIRGINIA RAGO'S new skirt is oh-so-colorful. In fact, VIRGINIA'S skirt is one of the prettiest I've seen in many a day. . . . . BETTY LOU'S new plaid is red and blue. It is pleated. . . . . Another cute skirt is FRANCES GRIMA'S. It is light blue on a brown background and looks trim with her matching light blue sweater. . . . . A pretty plaid of yellow on a brown background is worn by BOBBIE SUE STEELE. . . . . Checks are becoming more and more popular every day. LOUISE HILDEN wears a black and white check skirt with her new white slip-on sweater. . . . . KAY and CARMEL seem to like plain colors. They each wear becoming brown pleated skirts. . . . . Quite a few girls are wearing good old beanies these days. ARLENE'S, LOUISE'S, HAROLDINE'S, and GRETA'S

are cute. . . . I notice more suits being worn this year than ever before. They're favorites with CARMEN, BETTY LEE, JACOBA, KAY, and ANITA. . . . Have you seen GRETA NEIL'S new outfit in a muted yellow? It's a two-piece number and looks very chic. . . . NORINE TOWSON is now wearing an adorable dress of dusty blue with large flowers on it. It is form fitting. . . . PAT FEELEY looks nice in a gay plaid dress. It is in bright red over a dark background. . . . Have you noticed all the slacks being worn around school? The fad has proven quite popular, but on the other hand, I would hardly call it fashionable.

PHIL SCHAFF wears something a little different. It is a sweater-type jacket in blue herringbone . . . His brother LARRY also has a jacket of this type. His is beige. . . . Plaid shirts seem to be a must with Vaca High boys. . . .

FRED ROSS wears a cute one in blue and beige. . . . BOB POWER'S shirt has just about every color in it. . . . FRED BOWLES'S is of yellow and blue on a red background. . . . BOB TAYLOR'S blue slip-on sweater is very good looking. . . . CHARLIE HOOVER'S herringbone sports jacket really looks good. It is light blue.

## CAMPUS CHATTER

by Margaret Pritchett

We of the Hill Top Rumble Staff would greatly appreciate it if the person who made off with the copy binder would please return it.

Mary Hanks, of Willows, sister of Mrs. F. W. Bauquier, has been attending Vaca High for the past week.

Anne and Clare Mowers, Barbara Allen, Bill Solenberger, Frank Pritchett, Joe Campos, and Tommy Williams were going to see Gene Krupa last Friday night. However, their plans were disrupted because Krupa was not appearing that night.

Arthuer Leonard and Julian Codina went to Berkley last week-end on business for the Ulatis.

Barbara Allen, Mac and Russ Chandler, and Bill Ford visited the Dream Bowl Saturday night.

Frank Pritchett has lost a red wool sweater, a felt jacket, and a gaberdine raincoat since school started. If anyone has seen these things, will he please return them to Frank.

Mac and Russ Chandler and Bob McLaughlin, all members of the class of '42, were home over the week-end.

Among the Vaca High Students who saw the excitement at the Creamery last Friday night were Louise Hilden, Anne and Clare Mowers, Barbara Allen, Joe Campos, Sundy Bera, Frank Pritchett, Nelson Piper, and Phil Schaff.

Emily McCadden spent the week-end at Napa visiting the Cuda-backs.

If people want their names in the paper, they should go out

and do something. The people who always have their names in the Rumble are the live-wires who get out and do things, not only at school but elsewhere.

Wallace Brazelton '41 is going into the army Thursday.

Carmel Libonati's cousin, Gloria Bartý, of Oakland, visited her over the week-end.

CORNY CORNER  
By Clare and Nancy

Mr. Record: (hearing the sound of tapping feet in sixth period class) Who's making that sound? Are those your feet, Doris?

Doris: I guess they ought to be, I've had 'em 16 years.

Alice M.: I told him he musn't see me any more.

Dorothy B.: Well, what did he do?

Alice M.: Turned out the lights!

Iona Green: Why do women, as a rule, talk more than men?

Virginna: Oh, I suppose it's because they have the men to talk about.

Joe C.: You used to say there was something you liked about me.

Joyce (Armijo): So I did. But, you've spent it all.

Eugene B. (in history): The people of Sardinia were very hostile and they were divided into four parts.

George Linn: Do you think you could learn to love me?

Erna T.: Well, I learned Spanish once.

Jack S.: I like brass bands, don't you?

Betty Lou (bashfully): Yes, but I like gold bands better.

Ed S.: Words are inadequate to express my love.

M. C.: I know they are, Eddie. Why don't you try candy and violets?

Mrs. Martell: What was hard about those questions?

Rose Cintas: The answers.

Mrs. Lee: What did Washington do for his country?

Mary Lou: Gave us an extra holiday.

Miss Piner: I see you have quite a talent for painting.

Haroldine: Do you think so?

Miss Piner: Oh yes, I see it in your face.

Johnny: Say Eugenia, you're such a good little girl, you'll surely go to heaven.

Jeanie: I don't want to go to heaven.

Johnny: Why?

Jeanie: Because I want to go with you.

Jean: **Flee!**

Manuel: You mean fly.

Jean: Never mind what insect! Just go! Here comes mother.

THE GRAPEVINE

Woman

An interesting sextette seen following the Armijo game consisted of JOE CAMPOS and FRANCES BARON, NICK PAPIN and PHYLLIS NORMAN, and FRANK PRITCHETT and GINNY PENA. . . . ARLENE FRANKLIN'S boy friend is certainly the most liberal soul we've come across in many a day. She corresponds regularly with BYRLE HARGIS '42, and was with JOE PEREZ (Another Armijoite) after the Armijo game. . . . Have you ever seen those big fat letters ROSE MARIE receives from JOHNNIE? It looks as though he's just as loyal as she is. . . . Say IONA, who's that certain fellow you're with so often? It looks as if you two kinda go for each other. . . . "WOLF" and BETTY LOU are once again on very friendly terms. In fact, they really seem to be going steady. . . . Is it possible that NELSON'S attentions toward Y. C. are more than just friendly? . . . . We're puzzled as to why CLIFFORD WILLIAMS is so girl-shy. Especially since we hear that he has a brother who is just the opposite. . . . The LINN-TERSHUREN romance is really in full sway. They attended the Armijo game together and enjoyed themselves immensely. . . . Isn't it too bad that ROBERT Y. and his Dixon girl friend broke up just because he had a date for the Prom with BOBBYE BOWER? . . . . At this speed, BARBARA ALLEN will soon belong to the 21 Club. She captured her 19th victim, AL SERANO (Armijo) after the Armijo game. . . . DORIS DULANEY seems to be going after the Alumni. She was seen last week going out on a date with RUSS CHANDLER '42. . . . JOE C. and Y. C. don't care for each other so

much any more. The same night that she went out with VERNON B., he was with FRANCES B. . . . Boy, the Armijo fellows did O. K. after the game week before last. Among some of the couples not yet mentioned were BUD DODGE and ANNE MOWERS, BOB RIDGEWAY and LOUISE HILDEN, HAROLD RUSSELL and NANCY CHANDLER, and MICKEY and BETTY PRICE. . . . We wonder if BILL S. is still in love with DOROTHY E. (Armijo). He was seen with her after the Armijo game. . . . The traitor of the week: YVONNE CAMPARDON! It seems YVONNE made quite an impression on MIKE G. (Guess where!) Friday night. He asked her for a date and is planning on writing to her. By the way, someone should tell MIKE that YVONNE'S last name is not CAMPBELL as he mistakingly believes. . . . What's this? EUGENE B. is getting very chummy with V. S. in Algebra. Could it be the budding of a romance? Remember when E. B. was quite the wolf in grammar school? . . . VIRGINNIA JICKLING is a lucky person. Escorted by three soldiers she went to the airfield near Fairfield and sang for the boys there. How was it, VIRGINNIA? . . . Romance? We hear TRENT walked home with MARGARET P. Friday night. What happened to BOBBY, MARGARET? Get lost? And, MRS. LEE, TRENT tells us that he walked to his house and left MARGARET to walk the rest of the way along. Is that good etiquette? . . . What's this rumored romance we aren't hearing about between MAE CATES and WALTER JACOBS? Why make it so secret, MAE? . . . BOBBIE SUE STEELE keeps up a pretty good pace. Two boys at once ---CANDIDO HARO and JOHNNY RAMOS. Not bad for a sophomore. . . . Why do NICK L. and JOHN S. insist on going out of town to dances? Don't the Vacaville girls suit them? . . . Speaking of being faithful, look at that ANITA L. and LAVERNE L. (Winters) twosome.

Looks as though LAVERNE is really holding her heart! . . . . Is it true that JANIE E. and TONY P. are going steady? . . . . Nice going BO, from the looks of things you're doing all right with C. D. '42. . . . FRANCES BARON was out with SAM PAPIN '42 Friday night. Oh well, SAM is NICK'S brother. . . . Whom was ANNE MOWERS so anxious to see come out of the show Saturday night? . . . . Have you boys your dates for the prom? You had better hurry---time flies! . . . . DOROTHY F. enjoyed Gene Krupa with F. P. last Saturday. And we do mean enjoyed. . . . Who are those Marines that FRANCES M. and ILO L. are seen so frequently with? It looks as though they've started their own little branch of the USO. . . . Who is the JOE that BEULAH is recently interested in? It's rumored that she likes him more than just a little. . . . To whom does that beautiful ring belong that MANUEL N. is wearing? We know this much. He sure is proud of it. . . . Rainy or clear, TONY P. is waiting for ROSE to take her home. . . . ANNE CHEECHOV is the latest Vaca High gal to become engaged. Congratulations!

#### JOKES

Don W.: I'm so sore from playing basketball that I can't stand or sit.

Vic L.: If you're telling the truth, you're lying.

Manuel N.: If you had a fist like this, what would you do?

Arthuer: I'd wash it.

Virginia J.: I'm a wealthy girl today, but there was a time when starvation was staring me in the face.

Josephine P.: It must have been very unpleasant for both of you.
